

## Market We Serve: **Sewing Thread**

### **Solutions Begin With A Single Thread**

Finding a solution to an application challenge often comes down to basics. Performance Fibers' line of sewing thread yarn makes it easier to customize and meet the sophisticated technical needs of our customers.

### **Product Features and Benefits**

- Our range of high quality, low-denier thread and high-denier yarn enables customers to cover a wide variety of sewing and embroidery applications
- The high tensile strength and conformity of properties of our sewing thread yarn helps to make them a great choice for many applications
- Dyeability is a key feature of our threads, making them the right choice when color is important
- Yarn can be used for all continuous filament, core-spun sewing threads, as well as embroidery applications
- Performance Fibers can deliver flexibility in packaging and yarn make-ups
