

## Contributions to Industry Associations, Memberships and Others

As a leading chemical company, Indorama Ventures demonstrates leadership in regards to driving sustainability development, innovation, product stewardship, creating positive impact on climate.

The company participates in trade associations for multiple reasons, including networking, building industry skills, and monitoring of industry policies and trends. Our participation in various associations allows us to stay connected with stakeholders and address public authorities' requests regarding the development of the relevant industries. We maintain memberships with multiple trade associations expressly for that purpose.
