

PREFORMANCE[®] PET SG08

Sales Description, Documents

PREFORMANCE[®] PET SG08 is a food grade PET copolymer that is specially designed for thermoformed sheet applications.

PREFORMANCE[®] PET SG08 resin is considered safe for food packaging applications based upon compliance with FDA Regulation 21 CFR Section 177.1630 specifications.

WARRANTY

Starpet Inc. warrants that its products will comply with the specifications and related regulatory compliance detailed in its publications. No other warranty, either expressed or implied regarding the suitability of the product for any particular purpose is made. The Buyers are expected to make their own determination about the safety, health, environmental protection and suitability of use for their intended purpose. No warranty is made of the merchantability or fitness of any product, and nothing herein waives any of the Seller's conditions of sale.
