

About us:

The Wellman Group is one of the largest manufacturers and recyclers of PET. Wellman France Recyclage at Verdun in France has been processing post-consumer PET since 1996 and now exceeds more than 1.25 billion bottles per year, making it one of the largest PET recyclers in Europe with a wealth of experience in the use of rPET for fibers and packaging applications.

We are part of Indorama Ventures.

Wellman France Recyclage is ISO 9001:2015 certified for the « Regeneration of PET plastic bottles into flakes » by Lloyd's Register Quality Assurance.
